WC\_RRA\_HH\_13Feb2013 (Text and Tables).pdf

Attached please find the Port and Metro's *Residual Human Health Risk Assessment* for the Willamette Cove Upland Facility (text and tables only). Hard copies will follow by mail to DEQ and EPA. Please note that due to file size constraints, a complete copy of the report will be on a CD included with each hard copy. If you have any questions, please contact Dwight Leisle at (503) 415-6325.

Thanks!

\*Michael

Ash Creek Associates, Inc. is now a Division of Apex Companies, LLC.  Click [here](#) to learn more about Apex.

**Privacy Notice:** This message and any attachment(s) hereto are intended solely for the individual(s) listed in the masthead. This message may contain information that is privileged or otherwise protected from disclosure. Any review, dissemination or use of this message or its contents by persons other than the addressee(s) is strictly prohibited and may be unlawful. If you have received this message in error, please notify the sender by return e-mail and delete the message from your system. Thank you.

This Email message contained an attachment named  
image001.jpg

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
